

## SWAMP Fundraising Policy

1. All volunteers fundraising for students in the Grade 9 – 12 SWAMP music program are eligible to participate.  
(Rider game volunteers must be 19 years of age or older)
2. It is expected that all funds raised will be applied towards the SWAMP music program and associated costs (ie. uniforms, participation fees, trips).
3. If fundraising credits per family exceed the total yearly expense for that family, surplus funds raised may be retained by SWAMP for use within the music program.
4. Total funds raised by volunteers at Rider games are paid by the Optimists directly to SWAMP at the end of the Rider season (Jan. Feb.). Funds will be reconciled at this time.
